The first men in the moon - wikipedia

The First Men in the Moon is a scientific romance by the English author H. G. Wells, originally serialised in The Strand Magazine from December 1900 to August 1901 and published in hardcover in 1901, who called it one of his "fantastic stories". The novel tells the story of a journey to the moon undertaken by the two In their flight they discover that gold is common on the moon.
